#### Additions to Fixed Assets

purchases of fixed assets (including land) plus capital works by own employees. Revaluations are excluded. We stopped collecting data for this variable from the December 2012 quarter.

#### Enterprise

a business entity operating in New Zealand either as a legally constituted body such as a company, partnership, trust, local or central government trading organisation, or as a self-employed individual.

#### Kind of Activity Unit (KAU)

An enterprise subdivision that is engaged in predominantly one activity and for which a single set of accounting records is available.

#### Rolling Mean Employment (RME)

Rolling mean employment (RME) is the twelve-month moving average of the monthly employee-count figure.

#### Sales and other operating income

The transfer of ownership of and title to goods or services from one person or entity to another for a price.

The following are included:

sales of goods (whether manufactured, processed, or traded) sales of services (including repair services) manufacturing, processing, and management fees rental and leasing income royalties and patent fees. While these are excluded:

interest, dividends, donations, bad debts, and insurance claims excise duty, government grants, and subsidies extraordinary items (eg exchange rate gains, gains on sales of fixed assets).

#### Stocks of raw materials

Stocks of raw materials are crude or processed material that can be converted by manufacture, processing, or combination into a new product. Stocks include materials, fuels, and livestock.

#### Stocks of finished goods

Stocks of finished goods are goods ready for sale without further transformation. Stocks includes work in progress and trading stocks.

 Volume (Economic Survey of Manufacturing)

Volume series are value series that are adjusted (divided by price indexes) to remove the effect of price changes. They provide a measure of quantity change and are currently expressed in September 2010 quarter dollars. The price indexes used are from the [producers price index](#) and are available on [Infoshare](#).

 Purchases and operating expenditure

Purchases and operating expenditure are something obtained, especially for a price in money or its equivalent.

The following are included:

purchases of goods, fuels, and materials (whether for production or resale) general expenses (eg advertising, freight, insurance, motor vehicle, rates, rent, repairs, utilities) management fees and payments to other businesses or divisions payments to welfare and superannuation schemes (eg ACC, KiwiSaver) royalties and patent fees. While these are excluded:

interest, dividends, donations, and bad debtsexcise duty, fringe benefit tax, and road user charges extraordinary items (eg exchange rate losses, losses on sales of fixed assets) depreciation.

 Salaries and Wages (Economic Survey of Manufacturing)

includes gross salaries, wages, bonuses, and redundancy payments to employees. Excludes drawings, salaries, and wages paid to working proprietors and payments to welfare and superannuation schemes (eg ACC, KiwiSaver). We stopped collecting data for this variable from the September 2015 quarter.

 NZSIOC

New Zealand Standard Industrial Output Categories. NZSIOC is the primary output view for all aggregated outputs for industry data collected using ANZSIC06.

 Business Register (in relation to Economic Survey of Manufacturing)

Business Register is a register of all economically significant businesses operating in New Zealand. The QMS population is drawn from the Business Register.

 Earnings before interest and taxation

Actual earnings or loss as in an income statement for the quarter.

## Universes

 Economic Survey of Manufacturing Study Series Population

- [Economic Survey of Manufacturing Population](#)

 Economic Survey of Manufacturing Population

All enterprises that operate in New Zealand classified to ANZSIC Division C (Manufacturing).

## Variables

 Economic Survey of Manufacturing - December 2015 (Published)

- [Sales - Sales](#)
- [Purchases - Purchases](#)
- [Salaries - Salaries](#)
- [Raw Stock - Raw Stock](#)
- [Finished Goods Stock - Finished Goods Stock](#)
- [EBIT - Earnings before interest and taxation.](#)
